Music & Fun

"He's in a league all by himself"

His name is Babaloo and he's redefining children's entertainment. ... Every show is different, and every show's a party.

— Dan Buck, Show-Me- Saint Louis

BABALOO mixes songs, stories, movement, call and response, mass drumming, bean-bag bopping, and any other type of controlled musical mayhem to keep kids on the edge of (or out of) their seats.

VENUES include concerts, fairs and festivals, libraries, school assemblies, parties and just about any event where kids and grownups are looking to have fun! Performances are high-energy, interactive events. Audiences move, dance, sing, scream, shout, grunt, growl, throw things around, make big noise, and laugh-- a lot!

AUDIENCES range from preschool through preteen (and parents, of course). Each performance is tailored to the particular crowd, and no crowd is too big or too small.

“BABALOO WENT ABOVE AND BEYOND AS ALWAYS! AUDIENCE MEMBERS SAID IT WAS THE BEST "PARTY" OF THE SUMMER. TOP NOTCH!!”

—Quincy, IL

“WE (AND THE AUDIENCE) ABSOLUTELY LOVED HIM!”

—Macon, IL

“BABALOO ROCKED FROM TOP TO BOTTOM AND YOUNGEST TO OLDEST.”

—West Frankfort, IL
