Chris Vallillo is a nationally acclaimed folksinger and songwriter who makes the people and place of “unmetropolitan” America come to life in song. Performing on six string and bottleneck slide guitars, harmonica, mouthharp and hammer dulcimer, Vallillo weaves original, contemporary and traditional folk songs and narratives into a compelling and entertaining portrait of the history and lifestyle of the Midwest.

"vivid, original story songs" delivered with an "eye for detail and a sense of history."
