

MOTHER GOOSE & FRIENDS

SCHOLARS ARE NOT SURE WHO THE ORIGINAL MOTHER GOOSE WAS, BUT YOU WILL MEET HER IN THE CREATIVE IMAGINATION OF CHRIS EVERETT'S ADAPTATION OF ONE OF THE MOST BELOVED STORYBOOK CHARACTERS.

Humpty Dumpty, Itsy Bitsy spider, Old Mother Hubbard, Little Boy Blue and many other childhood favorites come alive with this one-of-a-kind show where everyone lives happily ever after.

Children and adults have the opportunity to interact as they become the characters, singing the songs and rhymes sung to them from their cradle. Playing her dulcimer or guitar, donning a bustled suit, and teasing her audience with words in song and rhyme, Mother Goose becomes a wonderful reality with the important message to "read to your children and give the most important thing you can give them... YOURSELF".

Fabulous! Fantastic! Absolutely Wonderful! Her energy is contagious. Everyone young and old enjoyed Mother Goose!
